Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

The attorney of record requested examiner's reconsideration for his previous argument, in view of the effective date associated with a Provisional application being limited to 12 months from the filing date of the provisional application, cited as prior art. The examiner researched the issue and validated the attorney's argument. Accordingly, Black (U.S. Patent No. 6,539,101), is no longer considered a qualified prior art for this application.

The attorney will make a formal request for reconsideration in response to the Final Office action mailed on 09-February-2004. Upon receipt of the reconsideration request, the examiner will reopen prosecution with a new search and withdraw the finality of the previous Office Action.
